Route 50 and Waples Mill Road Intersection Improvements

- **Project Description:**
  - Provides a second left turn lane from WB Route 50 onto Waples Mill Road
  - Other intersection modifications:
    - Traffic Signal timing improvements on Waples Mill Road approaches;
    - Three EB through lanes, Two WB left turn lanes on Waples Mill Road;
    - Reconfigure EB I-66 on-ramp from WB Route 50 to shared thru/exit lane.

- **Project Benefits:**
  - Increases capacity and reduces the level of congestion and delay on Route 50 approaching I-66.
  - Improves traffic flow for commuters entering and exiting the I-66 General Purpose and Express Lanes.

- **Location:** Fairfax County
- **Anticipated Completion:** Mid 2022
- **Requested Funds:** $2.0M
