

# Commuter Parking Structure at Government Center / Fairfax Corner

- Location: Fairfax County
- Anticipated Completion: 2022
- Requested Funds: \$38.5M

- Project Description:
  - Construct a parking structure for commuter parking on land that is owned by the County, that was purchased for the purpose of constructing a commuter parking facility for a future Metrorail Station or other mass transit improvement.
- Project Benefits:
  - Helps reduce congestion by facilitating greater use of transit and carpooling in the corridor.
  - Provides better access to transit services operating in the corridor, including the new commuter bus service that will be implemented as part of Transform 66. The facility would also provide a location for carpool formation, for those using the I-66 Express Lanes.
