

Nutley Street SW Mixed-Use Trail: From Marshall Road SW to Tapawingo Road SW

- Location: Town of Vienna
- Anticipated Completion: August, 2019
- Requested Funds: \$0.3M

- Project Description:
 - Expands approximately 1,300 linear feet of existing 4-foot sidewalk along the east side of Nutley Street SW from Marshall Road SW to Tapawingo Road SW to an 8-10 foot shared use trail.
- Project Benefits:
 - Enables non-motorized access to the Vienna Metrorail station along the east side of Nutley Street.
 - Provides a regional link that connects the Town of Vienna trail system to the trails around the Vienna Metrorail station and the proposed I-66 trail along corridor.
