Partial demolition of the I-66 bridges over Route 29 in Centreville will begin on Friday, December 13, and last for approximately 1 month. The bridges are being rebuilt to accommodate the I-66 project as well as future plans for Route 29. Demolition and construction will occur over multiple phases in order to maintain traffic on I-66.

The first phase of demolition will occur on the outermost portions of the bridges over Route 29 in Centreville.

Demolition of the bridge deck over Route 29 and center pier will require multiple lane closures on Route 29 North and South and will take place over 2 x 2 week ends (see reverse side for details).

- Work will occur during daytime and nighttime hours throughout each weekend
  - Starting 9 p.m. on Friday, Dec. 13, through 5 a.m. on Monday, Dec. 16
  - Starting 10:30 p.m. on Friday, Dec. 20, through 8 a.m. on Saturday, Dec. 21
  - Starting 10:30 p.m. on Saturday, Dec. 21 through 8 a.m. on Sunday, Dec. 22
  - Starting 9 p.m. on Friday, Jan. 3, through 5 a.m. on Monday, Jan. 6

The remaining portions of the bridges not directly over Route 29, as well as the North and South bridge abutments, will be demolished starting on or about December 13 and will continue for approximately three weeks.

- Work will occur outside of travel lanes during daytime hours
- Work will not impact traffic on I-66
- No demolition will occur over the Christmas Holiday (December 24-25)
