

Demolition of Jermantown Road Bridge over I-66 Planned to Begin On or About May 14, 2021

Overnight lane closures will occur nightly on I-66 East and West as demolition progresses. Information about lane closures and travel impacts will be posted at outside.transform66.org/workzones.

Minimizing Impacts to Neighbors

Some demolition activities will generate unavoidable noise and other disruptions. When those activities occur, measures will be taken to minimize impacts as much as feasible.

- Concrete will be hauled away to be processed off-site
- Work area lighting will be directed toward roadway/ away from residences
- Dust control measures will be in place
- Construction vibration and noise will be monitored

Old Jermantown Road Bridge
(to be demolished)

New Jermantown Road Bridge

Updates on progress and upcoming activities will be posted to outside.transform66.org/jermantown as demolition progresses. Visit the web page to sign up for project updates and e-mail notifications about traffic pattern changes and lane closures.
