

Partial Demolition of Monument Drive Bridge over I-66 to Begin in Late February 2022

The Monument Drive Bridge over I-66 is being widened as part of the Transform 66 Outside the Beltway Project to accommodate new Express Lanes access ramps and sidewalk on the west side of the bridge. Partial demolition of the bridge is anticipated to begin on or about February 26, 2022, and will take approximately two weeks to complete. Find updates and progress on upcoming work at outside.transform66.org/monumentdrive.

- Partial demolition of the old bridge deck is planned to begin during the overnight hours Saturday, February 26, 2022.
- Demolition work will occur over I-66 travel lanes. This work can only occur during overnight hours (typically 11 p.m. to 5 a.m.) when multiple lanes on I-66 can be closed for the safety of workers and the traveling public.
- Demolition of the bridge deck involves breaking up the concrete deck using jackhammers, saw cutters, and hoe rams.
- All demolition work is weather dependent and will be rescheduled if inclement conditions occur.

Minimizing Impacts to Neighbors:

Some demolition activities will generate unavoidable noise and other impacts. When those activities occur, measures will be taken to minimize impacts as much as feasible.

- Concrete will be hauled away to be processed off-site
- Work area lighting will be directed toward roadway/away from residences
- Dust control measures will be in place
- Construction vibration and noise will be monitored

Updates on progress and upcoming activities will be posted to outside.transform66.org/monumentdrive as demolition proceeds. Visit the web page to sign up for project updates and e-mail notifications about traffic pattern changes and lane closures.
