Traffic Shift to New Gallows Road Bridge Over I-66 and Demolition of Old Bridge Scheduled to Begin in Early October 2021

- The Gallows Road Bridge over I-66 is being rebuilt to accommodate the widening of I-66 and connections to the new shared-use path as part of the Transform 66 Outside the Beltway Project.

- Gallows Road traffic will be shifted onto a new bridge over I-66, starting in early October 2021. Demolition of the old bridge will follow, beginning in mid-October 2021.

- To protect motorists and work crews, demolition work that occurs over I-66 travel lanes and the Dunn Loring Metrorail Station must be completed during overnight hours (typically between 11 p.m. and 5 a.m.), when multiple lanes of I-66 can be closed and it is safe to work over the Metrorail station and tracks.

- Demolition work that does not occur over I-66 travel lanes will be completed during daytime hours, whenever possible.

- Demolition of the bridge is anticipated to continue through late fall 2021, with approximately 45 nights of demolition needed, depending on weather and other factors.

Questions about construction activities?
Construction Hotline: (703) 662-3892
Outreach Email: outreach@fam66.us

Schedules for bridge opening and demolition are subject to change due to weather and other factors.
Demolition of Gallows Road Bridge over I-66
Planned to Begin Mid-October 2021

Overnight lane closures will occur nightly on I-66 East and West, near Gallows Road, as bridge demolition progresses. Information about lane closures and travel impacts will be posted at outside.transform66.org/workzones.

Minimizing Impacts to Neighbors
Some demolition activities will generate unavoidable noise and other disruptions. The following measures will be taken to minimize impacts as much as feasible:

- Concrete will be hauled away to be processed off-site
- Work area lighting will be directed toward roadway and away from residences
- Dust control measures will be in place
- Construction vibrations and noise will be monitored

Updates on progress and upcoming activities will be posted to outside.transform66.org/gallowsroad as demolition progresses. Visit the web page to sign up for project updates and e-mail notifications about traffic pattern changes and lane closures.
